Grace and peace,  
**Pastor Kristin**

**Lutheran Advocacy Ministry - New Mexico** was established 41 years ago to respond to housing cuts made by the Reagan administration and quickly moved to focus as well on the staggering issue of poverty and hunger in our state and the myriad of other challenges faced by New Mexicans as a result. At its core, ***our mission centers on advocating for justice in our state's public policy.*** I invite and challenge all of you to recommit yourself to this effort, both here in New Mexico, as well as in exercising your voice in Washington.

The **First Session of the 57th Legislature** is now underway. The 60-day session will conclude at noon on March 22nd. This "long session" will be fast-paced and intense. At the end of opening day more than 200 bills, joint resolutions, and memorials had been filed. Legislators can continue to introduce legislation through the midpoint of the session, February 20th.

Legislative priorities for Lutheran Advocacy Ministry - New Mexico continue to focus on the core areas of addressing hunger and poverty, affordable housing and homelessness, and family-sustaining income, among others. Several legislative priorities include supporting *key provisions of the Governor's Food Initiative, the Paid Medical and Family Leave Act, Medicaid for All, fair and just tax policy, the Green Amendment, the creation of an independent redistricting commission, and amendments to the state's constitution to modernize our legislature.*

There are a variety of options for you to participate both online and in person during the legislative session. The highlight of the session remains the annual ***Legislative Issue Briefing and Bishop's Luncheon*** on ***February 20th.*** (more information on the next page). ***It takes a lot of volunteer support to pull off these two events and we can use more.*** If you would like to volunteer please contact Judy Messal at (575) 496-4754 or you can email her at [judithmessal@comcast.net](mailto:judithmessal@comcast.net).

In addition, consider joining us on one of our three ***Lutheran Advocacy Days – Tuesdays February 25th, March 4th, 11th, and 18th.*** This will be an opportunity for you to join us in person at the Roundhouse, to attend committee meetings, visit legislator's offices, and speak out on priority legislation for LAM-NM.

As we move through the coming weeks I look forward to your support through awareness, direct participation, and in your prayers. Please don't hesitate to reach out to me if you need more information or have any questions about our work during the 2025 session.

## **Look Back with Gratitude and Look Forward with Hope**

The Development Committee has completed this year's pledge campaign, "God is Faithful." We have received 47 (\$165,520) commitments for 2025, which compares to 47 (\$190,296) for 2024. We are thankful for this response to the ministries and programs of ASLC.

To help keep you apprised of ASLC financial position, the following table provides a summary of financial information as of the end of December '24.

	YTD Dec. '24	YTD Dec. '23
General Giving	\$235,111	\$222,653
Other revenue	\$77,039	\$70,329
Expenses	\$301,818	\$301,513
NET (Operating)	\$10,332	(\$8,531)
Loan principal payments	\$13,778	\$13,116
Operating cash flow	(\$3,446)	(\$21,647)

During the month of December our revenues exceeded our expenses by \$15,110, on an "operating" basis. On a year-to-date basis, expenses show an increase of .10%. At the same time, YTD General Giving was up 12,458 (5.60%). For the year the preschool is operating at a loss of \$5,453.

The committee continues to prepare for a capital campaign to begin This spring. The purpose of the campaign is to ensure funds are available for the maintenance of our church home, as well as the long-term ministries and programs of ASLC.

Thank you for your support, not only financial, but in the many other ways you support the ministries of the church.

If you have questions or would like assistance, please contact me ([jkruger01@comcast.net](mailto:jkruger01@comcast.net)) or Pastor Kristin.

Jim Kruger on behalf of the Development Committee.

### **South Wall Update-**

The south wall issue, flood damage and subsequent retaining wall damage and erosion is still being addressed. The topographic survey has been completed, and now the engineering begins. The total price for the topographic survey and engineering was 17,500.00, which was approved at a previous congregation meeting. 2500.00 of that fee will be paid by the local Home Owners Association as the wall is believed to be on their property and will be their responsibility to repair. The construction phase is next, and we estimate that phase of construction (adding drainage pipes, rerouting roof drains, backfill and the like) will be in the 50,000.00 range.

Living Lutheran, the magazine of the ELCA, is preparing to bring back the magazine's print publication in a quarterly fashion. Each issue (spring, summer, winter and fall) will feature the stories you know and love, along with updates on the church and your ELCA community. The cost for one year will be \$19.95 has both digital and print options.

You can also receive LLStory highlights by email for no cost!  
Subscribe for either option at <https://www.livinglutheran.org/>

### **From the Rocky Mountain Synod Creation Care Team Make a New Years Resolution to use Less Plastic**

We all use too much plastic. We know it, but we can't seem to do without it! Plastic is such a problem that the UN held a special conference to draw up an international law or treaty governing plastic production and use. More than 100 nations gathered in So. Korea a month ago and only could agree to delay a decision until next year. In 2022, 175 nations agreed to make the first legally binding treaty on plastics pollution, including in the oceans, by the end of 2024. The postponement came just days after the closing of COP 29 where climate talks again yielded little but settling on a finance bill to assist developing nations. Some negotiators feel that the UN consensus process makes any significant progress extremely difficult. All parties must agree before any vote is taken.

Plastic production is on track to triple by 2050. Microplastics are found literally everywhere. More than 3200 chemicals of concern are found in plastics. The representative from Panama said, "Postponing negotiations does not postpone the crisis. When we reconvene, the stakes will be higher."

Can each of us try harder to minimize plastic use in our home? Could we make a New Year's resolution to reduce plastic use? Make a list and see what you come up with. Involve all family members. Then reach a consensus to follow through (Start small—agree on only a couple of items to start.). Each of us CAN make a difference.

# PRESCHOOL NEWS 2025

## FEBRUARY

Can you believe February 2025 is here! The month of January brought very cold temperatures, so outside time was shortened or skipped. Health wise preschool children have been staying free of colds and flu. (Knock on wood!) Now we are entering the month of love and Valentines are popping up all over.

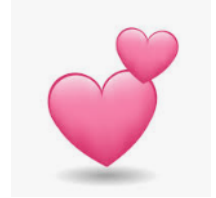

### EVENTS

February 13 & 14

Valentines Day parties

February 17

President's Day – NO School!

### SUMMER/FALL REGISTRATION

All Saint's Preschool has continuing open registration throughout the year but, next month we will ask the current families to register. Tell your friends and neighbors about All Saints Preschool and Childcare. The preschool is open year-round, and we provide services for children 6 weeks to 5 years. Forms and Fee schedules are available in the preschool. See Ms. Marleta if you have questions or would like a tour of the preschool!

### FINANCIALLY

The preschool ended 2024 with I = \$179,099 & E = \$189,389  
With an end of year = -\$10,289 this seems like a loss of that amount.

Thankfully, the preschool had a remaining amount of Grant money in reserve of \$21,138. So, the preschool ended with a zero balance and a \$10,849 amount in reserve.

## SIERRA VISTA SCHOOL

### BACKPACK FOOD COLLECTION PROJECT

It is time to refill the cupboards at Sierra Vista School. We will be collecting food from February 2nd through the 23rd.

For many years, the All Saints Community Outreach Committee has sponsored this program twice a year, which provides children from low-income families to take food home on Fridays for the weekend. The drive provides nutritional food and snacks for many families at Sierra Vista Elementary School in Paradise Hills. At one time, over 20 backpacks were being filled each week to be taken home by needy students on Friday for weekend meals.

## Music Ministry Notes

Erin Reil

When I think of certain beloved liturgies, there are two that always come to mind right away: *Holden Evening Prayer* and *Now the Feast and Celebration*. Both services are composed by Marty Haugen, whom I thought it would be fun to get to know a little better. Below is a portion of an interview of Haugen. If you would like to read the entire interview, click [here](#).

### **RW: How did a nice Lutheran boy like you take your first job in a Roman Catholic parish as a worship leader?**

**MH:** Growing up in the Lutheran church. I would never have considered myself a worship leader, because at that time the worship leader was the ordained person, and I was just a teenage organist. I started Luther College (Decorah, Iowa) as a piano major but switched to psychology, thinking I would go to seminary. When my advisor asked why I was dropping music, I said the only options I saw were to be a teacher or a performer, and neither interested me. The third option was to be a church musician, and I surely didn't want to do that. To me a church musician only directed the choir and played the hymns. That seemed so narrow, it didn't seem like ministry, and I was interested in ministry. To be real honest, I took my first job as a way of keeping me from going to Africa in the Peace Corps. I had signed up but didn't want to go because I was in love with the woman who was to become my wife. I thought perhaps I could take a job for a year until I could get married and find out what I really wanted to do. A chaplain suggested that I apply for a Catholic church job. I said I didn't know anything about the Catholic liturgy, and he said, well, these days, nobody does—you'll feel right at home. And he was right.

### **When did you start composing?**

Growing up in the Lutheran Church, I knew and loved the psalms, but only as prayer texts and spoken texts, not sung. The first Sunday I came to the Catholic church, we were instructed to sing the psalm—interactively! I was struck during that service by how badly the people sang and how poorly written the psalm setting was. It was awful. I thought to myself—I could write this badly! And so I experimented right off the bat. As most musicians do, I approached composition from the standpoint of music, and I tried to make the text work with the music. But I realized very quickly that that was a distortion of the role of music in worship. What the Lutheran church taught me was how critically important it is that music support the Word. Learning to compose for the text—to make the music support the text—was a long process for me.

### **Do you have some words of advice for people who would become worship ministers?**

Well, what helped me was going back to the Scriptures and then taking courses in theology and seeing myself not primarily as a minister of music but as a minister of the Word and a minister of the people's prayer. And then I asked, how can I use music to do that? I found that the more I knew about traditions of the past, the more I felt confident that I was on the right track. It is so hard because we all want to be good ministers. Many good musicians have very good intentions. But most of us don't have the background in theology and study of the Word to understand what it really means that music becomes the tool rather than the end. What is needed are study programs for those who would become ministers of the Word with music as a tool. Music and theology have to be taught side by side.
